An Appeal to the Methodist Episcopal Church Mar 21 2022 From its foundation in the United States until the year 1800, Methodism had testified against slavery as a moral evil. As slavery disputes intensified in the 19th century, there emerged two doctrines within the Methodist Church. Churches in the South were primarily proslavery, while northern churches started antislavery movements. The antislavery movement in northern churches strengthened and solidified in response to the pro-slavery apologia of Southern churches.

History of the Methodist Church in the Central Congo Apr 29 2020 Based on interviews with former missionaries, archival records, and secondary sources, Kasongo, a Methodist minister of the Central Congo Conference, presents a history of the church in this region. He covers the origins of its mission in the Central Congo, 1912-22, to the decline and fall of the Central Congo Episcopal Area, 1960-96, with the intervening years marked by expansion and responses to the shifting political environment. Being United Methodist in the Bible Belt Nov 29 2022 Written in a humorous, accessible style, this book is an easy-to-understand guide to the kinds of theological questions that many United Methodist youth and others are asking today. Being United Methodist in the Bible Belt will help any United Methodist youth, parent, or educator better understand their unique brand of Christianity in light of the understandings of those from the evangelical tradition. With helpful sidebars explaining United Methodist history and polity and questions after each chapter for reflection and action, this book is ideal for Christian education courses for youth and adults, new member classes in United Methodist churches, as well as personal reading.

Being United Methodist Dec 30 2022 In Being United Methodist, popular and beloved author J. Ellsworth Kalas uses his inimitable style to address a topic that sometimes is complicated even to those who have practiced it for years. Kalas explores questions such as: Who are these people called Methodists? Where have they come from, and where are they going? Why do so few of them really know what it means to be Methodist? What makes them tick, and in a forever changing world, what keeps them ticking?

Methodist Doctrine Jan 07 2021 "In this concise volume, Campbell provides a brief and accessible summary of the major doctrines shared in common by members of the UM, AME, AMEZ, and CME churches. Campbell demonstrates, first, that Methodists have doctrine; second, that the basic beliefs of Methodists are continuous with the ancient creeds of the church; and, third, that Methodists share these beliefs across denominational and other boundaries - specifically race."--BOOK JACKET. Communities of Faith in Africa and the African Diaspora Feb 08 2021 Communities of Faith is a collection of essays on the multicultural Christian spirit and practices of churches around the world, with particular attention to Africa and the African diaspora. The essays span history, theology, anthropology, ecumenism, and missiology.

Readers will be treated to fresh perspectives on African Pentecostal higher education, Pentecostalism and witchcraft in East Africa, Methodist camp meetings in Ghana, Ghanaian diaspora missions in Europe and North America, gender roles in South African Christian communities, HIV/AIDS ministries in Uganda, Japanese funerary rites, enculturation and contextualization principles of mission, and many other aspects of the Christian world mission. With essays from well-known scholars as well as young and emerging men and women in academia, Communities of Faith illuminates current realities of world Christianity and contributes to the scholarship of today's worldwide Christian witness.

Methodist Revolutions Nov 05 2020 An international group of Methodist scholars unite in the belief that another church and another world are not only necessary but possible. Holiness traditions, even though at times addressing matters too narrowly and at other times triumphantly, are in agreement that the status quo in both church and world can be improved upon significantly. The question is not whether but how does this happen and how far does it go. Amidst ongoing discussions of reforms, reformations, and revolutions, this volume argues that comprehensive transformations are afoot. Our expectations are not built on shallow optimism or wide-spread beliefs in progress; they are built on evangelical expectations and holiness histories as they have shaped up since the beginnings of evangelical holiness movements. Recent decades, in particular, have rekindled broader perspectives that push beyond reductionistic focuses on individuals, closed communities, or particular church bodies. The hope of the gospel that is at the heart of the Methodist evangelical holiness traditions needs to be tested and verified in concrete transformations, which will be spelled out in the chapters of this book. Contributors: Cliff Bird, Timothy Eberhart, Kisitu Gyaviira, R. Simangaliso Kumalo, Filipe Maia, Keegan Osinski, Pablo Oviedo, Helmut Renders, Joerg Rieger, Upolu Lum? Vaai

Worshiping with United Methodists Feb 26 2020 Revised and updated, this popular book shows pastors and worship leaders the basics of United Methodist worship. In this straightforward and updated commentary, Hoyt Hickman explains the basic pattern of United Methodist worship within the broader context of Christian worship.

Drawing upon five basic principles, the author explains the formative nature of worship and how it can revitalize persons' lives. These principles are: God's Word is primary; active congregational participation is crucial; spontaneity and order are both important; worship should be relevant and inclusive; and worship is communion. This revision will highlight the African-American contribution to UM worship, discuss at greater length what the various worship styles mean for us today, say more about the formative nature of worship, and include updated resources including the Abingdon Worship Annual, the Abingdon Preaching Annual, and WorshipConnection.

Explains basic resources for planning and leading worship. Gives the basic pattern of UM worship and its origins. Gives practical suggestions how to renew and revitalize worship. Helps pastors be effective leaders in planning and revitalizing worship. Helps pastors understand and communicate the uniqueness of UM worship. Helps pastors lead their congregation into a deeper and richer experience of God through worship.

The People Called Methodists Dec 26 2019

Methodist Theology Today Apr 10 2021 Presents the Methodist theology as a resource for the future. This book focuses on the many ways in which Methodism 'carries' its theology and how Methodism's emphasis contributes to British Christianity. It asks challenging questions about how evangelism and social welfare may develop in the complex post-modern secular world.

Quarterly Review of the Methodist Episcopal Church, South Jul 25 2022

Methodist Worship Sep 27 2022 What makes Methodist worship "Methodist" or "Wesleyan?" How do Methodists evaluate emerging forms of worship in light of their own liturgical heritage? This book considers these questions by bringing to light the work and significance of three Methodist liturgists who have until now received precious little scholarly focus: Thomas O. Summers (1812-1882), Nolan B. Harmon (1892-1993), and James F. White (1932-2004). Exploring each one's contribution to the Methodist movement, it evaluates their continuing legacies as scholars and practitioners of Methodist worship. Importantly, the work of all these men occurred during times of cultural change, which gave rise to new ways of worship within the landscape of American Methodism. Addressing them in chronological order, this study shows how each figure enacted liturgical reform and renewal by drawing from the liturgical textual tradition inherited directly from John Wesley's Sunday Service of the Methodist in North America as well as the hymnody of Charles Wesley. It also demonstrates how they sought to inculturate the Wesleyan liturgical tradition in the midst of these significant changes. Evaluating historic and emerging trends in Methodist liturgical praxis, this is a book that will be of great interest to scholars of Methodism, the History of Religion, Liturgical Studies and Theology.

United Methodist Questions, United Methodist Answers May 31 2020 "Popular author F. Belton Joyner has revised his best-selling resource for introducing The United Methodist Church. In a humorous yet respectful style, Joyner takes the reader through illuminating questions and answers on United Methodist terms and beliefs on God, Jesus, the Bible, the church, salvation, and more. This revised edition includes new sections on United Methodism as a global church, United Methodist ministries beyond the congregation, and United Methodist theology in conversation with other Christian traditions. It has also been updated to reflect recent changes to The Book of Discipline and the orders of ministry. The book's question-and-answer format easily lends itself to use in Sunday school classes and also works for individual study. From new recruits to lifelong United Methodists, readers will gain a lively sense of what is special and important about their denominational home."--Back cover.

Polity, Practice, and the Mission of The United Methodist Church Jun 12 2021 "Commissioned by the General Board of Higher Education and Ministry for use in United Methodist doctrine/polity/history courses." This in-depth analysis of the connection between United Methodist polity and theology addresses ways in which historical developments have shaped--and continue to shape--the organization of the church. This revised edition incorporates the actions of The United Methodist General Conference, 2004. The book discusses continuing reforms of the church's plan for baptism and church membership, as well as the emergence of deacon's orders and other changes to ordained ministry procedures. The text is now cross-referenced to the Book of Discipline, 2004, including the revised order of disciplinary chapters and paragraph numbering. Denominational statistics are updated, along with references to recent works on The United Methodist Church and American religious life.

Meet the Methodists Nov 24 2019 8 sessions. A concise look at United Methodist history and doctrine. Includes study guide

United Methodist Doctrine Jun 24 2022 Throughout this book, Scott J. Jones insists that for United Methodists the ultimate goal of doctrine is holiness. Importantly, he clarifies the nature and the specific claims of "official" United Methodist doctrine in a way that moves beyond the current tendency to assume the only alternatives are a rigid dogmatism or an unfettered theological pluralism. In classic Wesleyan form, Jones' driving concern is with recovering the vital role of forming believers in the "mind of Christ, " so that they might live more faithfully in their many settings in our world.

The People(s) Called Methodist Jul 01 2020

Living Our Beliefs Dec 06 2020 Faithful Christian discipleship requires a foundation in the core belief and practices of the Christian tradition. Wesley's sermons and writing provide this stepping off point. Living Our Beliefs offers a basic explanation of the beliefs and practices of The United Methodist Church as defined in Part II of The Book of Discipline. Readers uncover a deeper understanding and experience of Christian faith as they live the United Methodist way.

William Taylor and the Mapping of the Methodist Missionary Tradition Oct 24 2019 This book is the first critical biography of William Taylor, a nineteenth-century American missionary who worked on six continents. Following Taylor's global odyssey, the volume maps the contours of the Methodist missionary tradition and illumines key historical foundations of contemporary world Christianity. A work of social history that places a leading Methodist missionary in the foreground, this narrative illustrates distinctive aspects and tensions within Methodist missions such as the importance of doctrines like universal atonement and entire sanctification, a deeply pragmatic orientation rooted in God's providence, an embrace of both entrepreneurial initiatives and networked connection, and the use of revivalism for missionary outreach and leadership development. A Virginia native, Taylor became a Methodist preacher and missionary in California. This volume provides an important narrative account of Taylor's career as an itinerant revivalist and popular author, in which he toured the eastern United States, the British Isles, and Australasia. Taylor's participation in the South African revival made him an evangelical celebrity. The author also follows Taylor's important visits to India and South America, where he initiated new Methodist missions in those contexts and pioneered the concept of "tentmaking" missions. In 1884, Taylor was elected missionary bishop of Africa by his church. By the end of his life, Taylor had recruited or inspired hundreds of Methodists to become foreign missionaries.
