*Toxic Overdose, Cushing Syndrome, Lactose Tolerance Test, Hematology, Types of Franulocytes, Granulocyte, Bone Marrow, Atypical Lymphocytes, and much more... For tests after July 1, 2018. Here's the "Easy Way" to get your Technician Class amateur radio license. The book is new so check the reviews for the previous edition. The test is multiple choice and the other study guides take you through the pool of 424 questions including all four possible answers for each question. But three out of the four answers are WRONG! You are studying 1,272 wrong answers and that is both confusing and frustrating. The Easy Way focuses only on the right answers with hints, cheats and explanations to help you pass. It is all Ham and no Spam. The first part is a narrative of the author's ham radio experience. Every question and answer is woven into the story and identified in bold print. The second part is a 40-page Quick Summary condensing every question and correct answer for easy recall. Which would you rather study: right answers or over 200 pages with three quarters of the answers wrong? Instructors: This book is perfect for review or weekend courses. Have the students read the narrative before class, then go over the concepts with them rather than slogging through all those wrong answers. You'll be done in no time and the students will be fully prepared to take their tests. THINGS YOU WILL LEARN FROM THIS BOOK Who is a medication technician or medication aide. Responsibilities of a medication aide. Vital Signs. History of medications and medication administration. Principles of Medication Administration. Different Routes of medication administrations. Drugs affecting the cardiovascular system. Drugs affecting the urinary system. Drugs affecting the respiratory system. Drugs affecting the digestive system, vitamins, and minerals. Drugs affecting the central nervous system. Affecting the musculo-skeletal system. Drugs affecting the endocrine system. Antibiotics and other anti-infective agents . Drugs affecting the eye. Drugs affecting the ear.
