A helpful handbook for men who don't like to read giving quick and practical keys to making marriage work. The 100 sections cover the most important aspects of marriage. IEDEREEN KENT EEN NICE GUY. Misschien ben je zelf zo'n man... Een man die fantastisch kan luisteren, wiens vriendinnen vaak tegen hem zeggen dat hij zo'n aanwinst is, maar die nooit een echte date heeft op een zaterdagavond. De echtgenoot die wanhopig probeert zijn vrouw te behagen, maar wiens huwelijk emotioneel en seksueel verre van bevredigend is. De betrouwbare vriend bij wie iedereen aanklopt voor klusjes en adviezen, maar wiens eigen leven een rommeltje is. Volgens dr. Glover geloven deze mannen in de mythe dat ze geliefd zullen worden en nooit ergens problemen mee zullen ondervinden, zolang ze maar 'aardig' zijn en altijd alles 'goed' doen - terwijl ze ondertussen hun eigen behoeften en mannelijkheid opofferen. Dit is wat dr. Robert A. Glover, psychotherapeut en codirecteur van het Center for Healing en Recovery (Washington), het 'Nice Guy-syndroom' noemt. Nooit meer Mister Nice Guy is gebaseerd op jarenlange klinische groepstherapie met mannen en stellen. Het boek vernietigt de schadelijke mythe waarin Nice Guys geloven. Ben je een Nice Guy? Dan leert dit boek je dat je de destructieve patronen kunt doorbreken en de controle over je eigen leven weer terug kunt krijgen door zelf de verantwoordelijkheid te nemen voor het vervullen van je eigen behoeften. Je leert om: - te stoppen met zoeken naar goedkeuring van anderen; - grenzen te stellen en integer om te gaan met conflicten; - te genieten van intieme relaties die gebaseerd zijn op wederzijds respect; - een spannender seksleven te hebben; - je carrière naar een hoger niveau te brengen en de professionele aandacht te krijgen die je verdient. Nooit meer Mister Nice Guy staat vol bewezen strategieën en uit het leven gegrepen succesverhalen. Het boek biedt handvatten die voor jou (en/of je partner) van onschatbare waarde kunnen zijn om gezonde en meer bevredigende relaties op te bouwen en met vertrouwen van het leven te genieten. Silicon Valley icon and bestselling author Guy Kawasaki shares the unlikely stories of his life and the lessons we can draw from them. Guy Kawasaki has been a fixture in the tech world since he was part of Apple's original Macintosh team in the 1980s. He's widely respected as a source of wisdom about entrepreneurship, venture capital, marketing, and business evangelism, which he's shared in bestselling books such as The Art of the Start and Enchantment. But before all that, he was just a middle-class kid in Hawaii, a grandson of Japanese immigrants, who loved football and got a C+ in 9th grade English. Wise Guy, his most personal book, is about his surprising journey. It's not a traditional memoir but a series of vignettes. He toyed with calling it Miso Soup for the Soul, because these stories (like those in the Chicken Soup series) reflect a wide range of experiences that have enlightened and inspired him. For instance, you'll follow Guy as he . . . Gets his first real job in the jewelry business—which turned out to be surprisingly useful training for the tech world. Disparages one of Apple's potential partners in front of that company's CEO, at the sneaky instigation of Steve Jobs. Blows up his Apple career with a single sentence, after Jobs withholds a pre-release copy of the Think Different ad campaign: "That's okay, Steve, I don't trust you either." Reevaluates his self-importance after being mistaken for Jackie Chan by four young women. Takes up surfing at age 62--which teaches him that you can discover a new passion at any age, but younger is easier! Guy covers everything from moral values to business skills to parenting. As he writes, "I hope my stories help you live a more joyous, productive, and meaningful life. If Wise Guy succeeds at this, then that's the best story of all." Guy Pratt came of age just as playing bass became cool, with the likes of Paul Simonon and Bruce Foxton. Having dallied with Funkapolitan, Pratt suddenly found himself on Top of the Pops and supporting David Bowie with smooth Australian outfit Icehouse. At a ludicrously young age Guy Pratt became a sought after bass player to the stars, finding himself crawling from studio to bar, from hotel to stadium portacabin with Robert Palmer, Womack & Womack, Bernard Edwards, Bryan Ferry and David Crosby, etc. The eighties were in their prime, and with a number of Crolla-suited appearances in windswept videos behind him, he was invited to join Pink Floyd for a series of stadium of extravaganzas to make Bono & co look fairly modest. Pratt has recorded with Madonna, and spent time in the studio with Michael Jackson. He was in The Smiths for a week, has travelled through customs in a wheelchair after a flight with Jimmy Page, and has lived to tell all. MY BASS AND OTHER ANIMALS emerges from the successful stand-up tour of the same name. It charts his journey from a Mod band in Southend to playing with Roxy Music at Live 8. Madrid, un cadre magnifique pour faire naître les étoiles. C'est en Espagne que se retrouve l'équipe d'International Guy, au chevet d'une jeune et talentueuse chanteuse. Juliet est timide, mal dans sa peau, mais sa voix d'ange lui promet un bel avenir. Parker a décidé d'emmener Skyler qui, grâce à son expérience de comédienne, saura trouver les mots afin d'aider la belle Juliet à prendre confiance en elle. Bo fait également partie du voyage avec pour mission de relouer la jeune femme. Parallèlement, les messages de menace se font de plus en plus virulents et le retour de notre couple aux États-Unis s'annonce tumultueux. Skyler et Parker auront-ils enfin le loisir de vivre leur histoire paisiblement ? Guy's Hospital (London). Critical texts, translations, documents, and photographs on the work of the Situationist International. This volume is a revised and expanded version of a special issue of the journal October (Winter 1997) that was devoted to the work of the Situationist International (SI). The first section of the issue contained previously unpublished critical texts, and the second section contained translations of primary texts that had previously been unavailable in English. The emphasis was on the SI's profound engagement with the art and cultural politics of their time (1957-1972), with a strong argument for their primarily political and activist stance by two former members of the group, T. J. Clark and Donald Nicholson-Smith. Guy Debord and the Situationist International supplements both sections. It reprints important, hard to find essays by Giorgio Agamben, Libero Andreotti, Jonathan Crary, Thomas Y. Levin, Greil Marcus, and Tom McDonough and doubles the number of translations of primary texts, which now encompass a broader and more representative range of the SI's writings on culture and language. In a field still dominated by hagiography, the critical texts were selected for their willingness to confront critically the history and legacy of the SI. They examine the group within the broader framework of the historical and neo-avant-gardes and, beyond that, the postwar world in general. The translations trace the SI's reflections on the legacy of the avant-garde in art and architecture, particularly on the linguistic and spatial significance of montage aesthetics. Many of the translated works are by Guy Debord (1932-1994), the impresario of the SI, especially known for his book The Society of the Spectacle. Hamza El Moutadir is the youngest Moroccan writer to write and self-publish in English. He has a Bachelor in English Literature and a Master Degree in Sexology El Moutadir told media influencer and author, Dr. Melissa Caudle, the reason for writing this game-changing book. Moutadir says, "At first, I was proud of being a Good Guy until my early twenties, where I faced crises on all levels, social, financial, and sexual ones. Things weren't going well. I was kicked out of the house by my father when I was eighteen, I was socially ignored, and the only person I truly loved stabbed me in the back. I was frustrated and needed to refocus my life." El Moutadir's efforts led to his realization that his problems rested within himself. "I started coaching the younger generation until I decided to write a book that will leave an impact on them to get their needs satisfied," he said. "The Good Guy She'd Never Date," is a young adult diary developed to give a proven plan based on reality to get a man's needs satisfied. The story of life at the center of the world's most dangerous sport, by its brightest and biggest star Guy Martin—international road-racing legend, maverick star of the Isle of Man TT, truck mechanic, and TV presenter—lives on the edge, addicted to speed, thoroughly exhilarated by danger. This book takes readers inside his head as he stares death in the face and risks his life in search of the next high, even as he agonizes over the loss of close friends in horrific accidents. He'll explain what it feels like to survive a 170mph fireball at the TT in 2010, and come back to do it all again. He sweeps readers up in a gritty sort of glory as he slots it out for a place on the podium, but he also describes struggling with the flipside of fame. Meet his friends, foes, family, teammates, and bosses, and discover what motivates him, and where his strengths and weaknesses lie. For the first time, here is the full story in Guy's own words. From the boy who learned to prep bikes with his dad, to the spirited team mechanic, paying his way by collecting glasses, to the young racer at the start of his first race and the buzz he's been chasing ever since, this thrilling autobiography is an intense and dramatic ride. In Haken met Studio Hip en Stip neemt Annemarie je mee in haar kleurrijke haakwereld. Annemarie kreeg al heel wat mensen aan het haken via haar succesvolle en kleurrijke Instagramaccount @studiohipenstip. Annemaries prachtig vormgegeven debuut staat boordevol kleurrijke woon- en modeaccessoires in de kenmerkende stijl en kleuren van Studio Hip en Stip. Van confettideken tot handtas van granny squares en van babydeken tot vrolijke feestvlaggen. Annemarie legt jou stap voor stap uit hoe je aan de slag kunt. De duidelijke patroonbeschrijvingen en haakschema's maken dit tot een toegankelijk boek voor zowel de beginnende als gevorderde haakster. Alle gebruikte haaksteken staan in tekst en beeld uitgelegd waardoor je gelijk zin krijgt om aan de slag te gaan. Dit boek zal je inspireren om te gaan haken in jouw eigen stijl en kleur! After developing his acclaimed style of firsthand reporting with his bestselling graphic novels Pyongyang- A Journey in North Korea and Shenzhen- A Travelogue from China, Guy Delisle is back with Burma Chronicles. In this country notorious for its use of concealment and isolation as social control - where scissors-wielding censors monitor the papers, the de facto leader of the opposition has been under decade-long house arrest, insurgent-controlled regions are effectively cut off from the world, and rumour is the most reliable source of current information - he turns his gaze to the everyday for a sense of the bigger picture. Delisle's deft and recognisable renderings take note of almsgiving rituals, daylong power-cuts and rampant heroin use in outlying regions, in this place where catastrophic mismanagement and ironhanded rule come up against profound resilience of spirit, expatriate life ambles along, and non-governmental organisations struggle with the risk of co-option by the military junta. Burma Chronicles is drawn with a minimal line, and interspersed with wordless vignettes and moments of Delisle's distinctive slapstick humour. Edited with a facing-page English translation from the Latin text by: Morton, Catherine; Timothy Carrier is sitting in a bar when the man next to him mistakes him for someone else and hands him an envelope with \$10,000. The man leaves after handing Tim a photo of a woman marked for death and her address. Soon the killer arrives believing Timi Offers recipes for simple but flavorful dishes that emphasize seasonal fruits and vegetables and meticulously blended seasonings, in such dishes as lamb stew with spring vegetables, cheese soufflé, and Mediterranean quiche. "Based on the highly acclaimed NPR podcast, How I Built This with Guy Raz, this book offers priceless insights and inspiration from the world's top entrepreneurs on how to start, launch, and build a successful venture"-- This is the true story of Crazy Eddie Maloney, a contract thief and enforcer for the likes of John Gotti, Joey Gallo, Vinnie The Chin Gigante and the Lucchese family. Now, still carrying a bullet in his back, hunted by the mob, unprotected by the FBI, and forced to live his life on the run, Eddie spills his guts for the first time. Includes 12 pages of photos. "Don't even think about trying to launch a startup without reading Guy Kawasaki's Reality Check." -BizEd For a quarter of a century, in his various guises as an entrepreneur, evangelist, venture capitalist, and guru, Guy Kawasaki has cast an irreverent eye on the dubious trends, sketchy theories, and outright foolishness of what so often passes for business today. Too many people frantically chase the Next Big Thing only to discover that all they've made is the Last Big Mistake. Reality Check is Kawasaki's all-in-one guide for starting and operating great organizations--ones that stand the test of time and ignore any passing fads in business theory. This indispensable volume collects, updates, and expands the best entries from his popular blog and features his inimitable take on everything from effective e-mailing to sucking up to preventing "bozo explosions." Adam, a serious cinema nerd, has no idea that he is the Hot Guy - a man so ridiculously attractive there's a Facebook group dedicated to seducing him. Cate, a sports publicist who loves to crack a joke, is feeling down about her newly single status when her friends suggest the perfect pick-me-up: a night with the Hot Guy. But that one night leaves both Cate and Adam wanting... Is a genuine connection possible with a guy this phenomenally smokin'? Written by film critic duo Mel Campbell and Anthony Morris, and packed with movie-related humour, The Hot Guy is a funny, warm, savvy, and genuine rom-com, with characters you won't want to kick out of bed. Stone Barrington's newest client brings mayhem in his wake in this "edge-of-your-seat adventure"\* in the #1 New York Times bestselling series. After giving some legal advice to a walk-in client, Stone Barrington thinks he's done with the man. But several people are keenly interested in John Fratelli's activities and how they relate to a long-ago crime...and some of them will stop at nothing to find the information they desire. On a hunt that leads from Florida's tropical beaches to the posh vacation homes of the Northeast, Stone finds himself walking a tightrope between ambitious authorities and seedy lowlifes who all have the same prize in their sights. In this cutthroat contest of wills, it's winner-takes-all—and Stone will need every bit of his cunning and resourcefulness to be the last man standing. Little Guy is a series of 25 images and poems that emerged over a period of two weeks, with a sense of urgency. Then, less than a month later, coronavirus appeared in the UK. We had to distance from each other; isolate, alone at home in a situation none of us has ever faced before. The rush to get Little Guy onto paper started to make sense. Many people battle with anxiety even in the best of circumstances; it is part of being a sensitive, fragile human being in a world that can be both frightening and full of wonder. Little Guy starts off anxious and depressed, before moving through hope and trust to a point where he is able to relate to the world and thrive again. Little Guy journeys with us. Emma Major is a mum, wife, friend, pioneer lay minister, blind wheelchair user and poet. She has recorded audio descriptions of every picture in the Little Guy book to ensure that everyone can access it.
