*The Living Age* Apr 10 2021

*Flower Fables* Aug 26 2022 We are no longer children, – but it is not long since we were; and remembering that golden time, when the sun was brighter, the flowers twice as many, the rivers larger, and everything fairer, than it ever has been since, we welcome this book of fables for children. The writer of them was herself a girl of sixteen when they were written, – many, many years ago, – and of course their chief charm is for younger people than we venerable undergraduates. And the children (whose judgment is best) declare loudly for the book, and listen pleased for hours to the adventures of Lily-Bell and Thistledown and the kind little Ripple. But others also can find a pleasure in the love and knowledge of Nature which the book shows, and in its graceful fancies and sweet lessons of charity and patience. The men and women who write stories for children do a greater work for the world than we are wont to think of. Horace praised poets because they formed the "tender mouth" of children, and turned them from the vile to the beautiful. Miss Alcott does not need to "Claim the shelter from her sire of an immortal name," for she has earned praises for herself.

*20,000 LEAGUES UNDER THE SEA (Illustrated)* Oct 28 2022  
This carefully crafted ebook: "*20,000 LEAGUES UNDER THE SEA (Illustrated)*" is formatted for your eReader with a functional and detailed table of contents. "*20,000 Leagues Under the Sea*" is a classic science fiction novel by Jules Verne published in 1870. It tells the story of Captain Nemo and his submarine Nautilus, as

seen from the perspective of Professor Pierre Aronnax. The title refers to the distance travelled while under the sea and not to a depth, as 20,000 leagues is over six times the diameter, and nearly three times the circumference of the Earth. The greatest depth mentioned in the book is four leagues. The book uses metric leagues, which are four kilometres each. A literal translation of the French title would end in the plural "seas", thus implying the "seven seas" through which the characters of the novel travel. The book was highly acclaimed when released and still is now; it is regarded as one of the premiere adventure novels and one of Verne's greatest works. Jules Verne (1828–1905) was a French novelist, poet, and playwright best known for his adventure novels and his profound influence on the literary genre of science fiction.

*The Crushed Flower, and Other Stories* Jan 27 2020

*Het verhaal van Alice Hart* Sep 27 2022 *Het verhaal van Alice Hart van Holly Ringland* is een prachtige, hartverscheurende roman over familie en de zoektocht naar waar je thuishoort. *Alice Hart* is opgegroeid tussen

de bloemen op de kwekerij van haar grootmoeder. Bij een vreselijke brand verloor ze haar beide ouders. Met het vuur verdween ook het geweld uit haar leven. Terwijl Alice opgroeit, ontdekt ze dat haar grootmoeder de ware geschiedenis van haar familie al die jaren geheim heeft gehouden. Kapot van dit verraad vlucht Alice ver weg van de boerderij. In een schitterend natuurpark in Australië bouwt ze een nieuw leven op. Ze wordt verliefd en denkt eindelijk haar rust te hebben gevonden. Tot zich twee vrouwen melden met een ongelooflijk bericht en het verleden haar met grote stappen inhaalt.

*Encyclopedia of Cremation Sep 15 2021* The Encyclopedia of Cremation is the first major reference resource focused on cremation. Spanning many world cultures it documents regional histories, ideological movements and leading individuals that fostered cremation whilst also presenting cremation as a universal practice. Tracing ancient and classical cremation sites, historical and contemporary cremation processes and procedures of both scientific and legal kind, the encyclopedia also includes sections on specific cremation rituals, architecture, art and text. Features in the volume include: a general introduction and editorial introductions to sub-sections by Douglas Davies, an international specialist in death studies; appendices of world cremation statistics and a chronology of cremation; cross-referencing pathways through the entries via the index; individual entry bibliographies; and illustrations. This major international reference work is also an essential source book for students on the growing number of death-studies courses and wider studies in religion, anthropology or sociology.

*Little Flower Shop by the Sea* Dec 30 2022 Poppy Carmichael, 30, certainly never intended to own a florist. But when she inherits her grandmother's beloved flower shop on the beautiful Cornish coast, Poppy has no choice but to return to the pretty harbour town of St Felix where she spent much of her childhood. Returning to St Felix brings back sad memories for Poppy. But when she makes new friends such as local flower grower Jake, a young widowed father of two teenagers, Poppy begins to overcome her fears, and discover for herself what's so special about this little flower shop by the sea. A sparkling summer novel by Ali McNamara, author of the much-loved novel *From Notting Hill with Love* . . .

*Healing with Flowers* May 31 2020 The healing power of flowers permeates every aspect of our lives. Flowers help us mark every event and ceremony from birth to death and bring us joy and solace throughout the years. They have inspired poets, authors and artists and come to symbolise the whole range of human experience. From exuberant red peonies to sweet-smelling primroses, exotic lilies and heavenly-scented roses, flowers have the power to reconnect us with the conscious intelligence of nature that we are a part of and to heal our ills in a myriad of ways. *Healing with Flowers* is Anne McIntyre's revised and expanded edition of her previous work *The Complete Floral Healer* and it tells the story of the mythological and historical origins of flowers in healing and medicine and reminds us of their significance which is as powerful today as it was in ancient times. Beautifully illustrated with vibrant colour photographs by Julie Bruton-Seal, the book explores sixty-four flowers from around the world - from Yarrow (*Achillea millefolium*) to Heartsease (*Viola tricolor*) alongside chapters on edible flowers, growing and gathering, and distilling flowers. Each flower entry reveals the plant's historical and folkloric importance, details the modern medicinal use of the flower as a herbal remedy relating to its biochemical constituents, and explores its use in aromatherapy, homoeopathy and as a flower essence. A deeper understanding of the unique character of each flower - its story, personality and energy - is woven through this book and is a key resource for anyone who loves flowers, as well as gardeners and herbalists alike.

*The Complete Language of Flowers* Dec 06 2020 The *Complete Language of Flowers* is a comprehensive encyclopedia providing the meanings, powers, facts, and folklore for over 1,001 flower species. Along with a beautiful visual depiction, each entry provides the

flower's scientific and common names, characteristics, and historic meanings and powers from mythology, medieval legends, folklore, and flower poetry. For centuries, symbolic flower meanings have fascinated readers, writers, poets, and suddenly smitten couples alike. Extremely popular during the Victorian era, these floriographies flourished and versed the public on the hidden meaning of popular flowers such as: Purple Tulip—Eternal love Amaryllis—Adventurousness; Enthusiasm; Passion Daisy—Beauty and innocence; Cheer; Childlike playfulness Sunflower—Ambition; Constancy; Devotion Together with stunning full-color illustrations and two indexes, one for searching by common flower name and the other organized by meaning, this beautiful reference is a must-have for gardeners, florists, and flower enthusiasts. Whether you're looking to arrange the perfectly bespoke wedding bouquet or to understand what the yellow rose you just received from an admirer means (friendship), this updated floriography is a visual delight. Elegantly designed and beautifully illustrated, the Complete Illustrated Encyclopedia series offers comprehensive, display-worthy references on a range of intriguing topics, including birthday astrology, dream interpretation, techniques for harnessing the power of dreams, and the stories behind signs and symbols.

*Flowers of the Field* Mar 21 2022 This classic two-volume guide to British flowering plants first appeared in 1851 and is noteworthy for its meticulous line drawings.
